

STARVE HOLLOW STATE RECREATION AREA

Full Hook-up Campground

Starve Hollow SRA includes a 145 acre lake. The campgrounds consist of 163 sites: 53 Full Hook-up sites, 87 Electric sites, and 23 Non-electric sites.

Starve Hollow's swimming beach is seasonal and open to swimmers at their own risk. Please Check posted Signs.

Fish species that have been stocked in the lake are: largemouth bass, bluegill, red ear, crappie, and channel catfish. All state fishing and boating rules apply to Starve Hollow. (Note: electric trolling motors only)

The Nature Center is open during the summer months and provides various programs and hikes. Scheduled Naturalist programs can be provided year round.

For hikers, Starve Hollow offers five miles of trails including a self-guiding interpretive nature trail. Keep an eye on the bulletin boards for naturalist activities.

Boat Rental and Firewood are available through the concessionaire or office/gatehouse when concessionaire is closed.
